

# BUTTERFLY CANNON

## 1803i

### DESCRIPTION

The head of the Butterfly Cannon can rotate 360°, while the spraying can be limited to 30°, 90°, or set to unlimited 360°. The dynamic nature of the game encourages the child to participate, thus helping to develop their motor skills. The Aquayoung, drawn to the interactivity of the game, will be encouraged to socialize with others while developing their self-confidence and courage.
